## Technical Data Sheet

### 2275 High Tack Paper Application Tape

---

#### Product Description:

This is an economically priced, green paper with high tack adhesive used for the clean pick-up and transfer of vinyl lettering and graphics. It is wrinkle free and leaves no residue or oil. The 2275 is recommended for use on small to medium computer cut graphics and die-cut lettering and is especially good for use with small and medium size plotters. 2275 is release coated for an easy unwind, provides excellent adhesion for transfer and installation and offers a simple release after use.
