NS4100 Regular, Anti-Slip Vinyl Safety Tape

Hundreds of Applications:

Showers, bathtubs, stair treads, boats, locker rooms, therapy rooms and equipment, entryway, swimming pools, step stools, golf carts, aquatic equipment and dozens more.

NS4100 Regular is a textured vinyl which provides firm traction in both wet and dry conditions. This surface provides a comfortable feel to bare skin and enhances the appearance of a wide variety of products and traffic areas. It is supplied with an aggressive, pressure-sensitive adhesive system which is functional both indoors and out. Excellent conformability to irregular surfaces. It is easily installed in seconds to most clean, dry, oil-free surfaces - just peel off the paper backing and press in place - it's ready immediately. Available in rolls, sheets and custom die-cuts.
