## NS4400 Coarse, Rugged, Anti-Slip Vinyl Safety Tape

Hundreds of Applications

Stairtreads, exercise equipment, therapy equipment, entryway, step stools, golf carts, aquatic equipment, playground apparatus, power lawn care machinery, dozens more.

NS4400 Coarse is a coarse-textured vinyl which provides good anti-slip properties in both wet and dry conditions. It is supplied with a pressure-sensitive, adhesive system which is functional both indoors and out. Excellent conformability to irregular surfaces and provides a comfortable feel to bare skin. It is easily installed in seconds to any smooth, clean, dry, oil-free surface including sealed wood, metal, fiberglass and sealed concrete - just peel off the paper backing and press in place - it's ready immediately. Available in rolls and custom die-cuts.

## TECHNICAL DATA
