## NS5200B SERIES

Anti-Slip, High Traction Safety Tape  
Firm Traction Indoor-Outdoor  
With Silicon Carbide Grit

### NS5200B Series Anti-Slip, High Traction Safety Tape

No Skidding® NS5200B Anti Slip High Traction Grit Tape is your safety solution wherever heavy duty slip resistance is required. NS5200B series is manufactured with tough, durable, silicon carbide stones that last much longer than competitors' grit tape. Silicon Carbide is an abrasion-resistant crystalline compound that is similar to diamond in structure. It is one of the hardest known substances. The stones are embedded in super strong, cross linked, all-weather plastic film. NS5200B utilizes a powerful, premium pressure sensitive adhesive that displays a high quick stick, peel / shear adhesion, and excellent anchorage to many hard-to-adhere surfaces. NS5200B Series outperforms the competition in kinetic coefficient tests for slip resistance.

No Skidding® NS5200B series anti slip grit tape has hundreds of applications that include: stairs, playgrounds, recreational areas, ramps and walkways, pool areas, campers, RV's, work areas, running boards, boat decks, loading docks, machine shops, hazardous floor areas, lawn equipment, trucks, trailers and industrial equipment. No Skidding® Anti Slip Tapes - Anti Slip Grit Tapes, Vinyl Tapes, and Resilient Tapes are in use in dozens of countries around the world and include a wide and varied selection of OEM applications that include:

- Fitness/Exercise Equipment
- Heavy Construction Equipment (Compactors, Cranes, etc.)
- Farm Implement Equipment (Combines, Tillers, etc.)
- Boats (Paddle Boats, Boat Ladders, etc.)
- Running Boards
- Riding Lawn Mowers
- Ramps (Wheel Chairs, Equipment)
- Medical Equipment (Dialysis chairs' foot rests, Rehabilitation Equipment, Scales)
- Food Handling Equipment
- Bleachers
- Step Stools
- Scaffolding
- Sailing Vessels and Yachts
- Fork Trucks
- Skid Loaders
- Trailers (Cargo, Boats, Horse, Car, etc.)
- RVs (Steps, Ladders, Roof etc.)
- Golf Carts
- Ground Support Equipment for Airlines
- Home Health Care Equipment (Ramps, Lifts, Scooters)
- Industrial Equipment (Scissors Lift, Machinery with work platforms)
- Walk-in Coolers
- Office Furniture (Ergonomic Steps)
- Ladders
- Spotting Trailers
- Van/Bus Lifts

No Skidding® NS5200B Series Black anti slip tapes meet or exceed the following:

- OSHA Spec 1910.24 Stair Tread
- OSHA Spec 1910.26 Ladder Rungs
- Military Spec Mil-D-17951E-Ships
- Military Spec Mil-W-5044C-Type IV
- Motor Vehicle Safety Standard #302

Our facility is geared to custom die cut sizes, custom sized anti slip tapes both in terms of widths and lengths and our turnaround time is among the best in the industry. Please let us know the specifics of your requirements and we would be pleased to work with you to accommodate your needs in a timely fashion.

#### Safety Tape - Regular Black NS5200B Series

Abrasive grain coated plastic film, one side pressure sensitive adhesive, protected by removable liner.

## Packing

- 1"x60' Roll (12 rolls/case)
  - 2"x60' Roll (6 rolls/case)
  - 3"x60' Roll (4 rolls/case)
  - 4"x60' Roll (3 rolls/case)
  - 6"x60' Roll (2 rolls/case)
  - 12"x60' Roll (1 roll/case)
  - 18"x60' Roll (1 roll/case)
  - 24"x60' Roll (1 roll/case)
  - 36"x60' Roll (1 roll/case)
  - 48"x60' Roll (1 roll/case)
  - 51/2"x51/2" (50 pcs/case)
  - 3/4"x24" (50 pcs/case)
  - 6"x24" (50 pcs/case)
- Also available in 6"x24" with reflective stripe or 6"x24" with photoluminescent stripe (24 per case for either).

Custom Die Cuts & Other Sizes Available on Request

Feature	Benefits
Quality Raw Materials	Long life, durable, and resistant to heavy traffic, water, and grease.
Abrasive Grain	Provides a consistent co-efficient of friction. 80 grit size
Easy Installation	Simply position, peel-off the backing and apply to clean, dry, grease free surface.
Conformability	Installs over most irregular surfaces.
Low Profile	Helps prevent edge curl.

## TECHNICAL DATA

Surface Compatibility	Painted wood, painted metal, sealed concrete
Application Temperature	Apply when surface temperature is above 50°F
Storage Life	Min. 1 Year @ 72°F/50% relative humidity
Standard Sizes	Roll Lengths: 60'
	<b>Roll Widths:</b> 1", 2", 3", 4", 6", 12", 18", 24", 36", 48"
	<b>Die Cut:</b> 51/2"x51/2", 3/4"x24", 6"x24" Custom die cuts & other sizes available on request
Product Description	Abrasive grain coated plastic film, one side pressure sensitive adhesive, protected by removable liner.

Designed to exceed OSHA standards for anti-slip protection on hazardous surfaces.

## Kinetic Coefficient of Friction for NS5200B

Anti-Skid Material	Wet Leather	Wet Rubber	Leather	Rubber
NS5200B - Black	1.01	1.20	1.55	1.13

**Important:** Seller's and manufacturers only obligation shall be to replace such quantity of the product proved to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for the intended use, and the user assumes all risk and liability whatsoever in connection therewith. No statement of recommendation not contained herein shall have any force or effect unless in an agreement signed by officers of the seller and manufacturer. Buyer assumes all risk and liability associated with disposal.

No Skidding® products are in use around the world in hotels, warehouses, factories, shopping malls, public transit systems, airports, hospitals and senior care, office complexes, restaurants, day care, schools, fitness clubs, government and military facilities.

The most complete range of slip injury prevention products in the World.
